"Colorado Academy Summer Programs keep our girls busy and active all summer long. The variety of camps ensures that both girls have fun and memorable experiences."

Welcome

Colorado Academy (CA) has offered summer activities for Denver-metro area youth since 1951. Young people come from as far as Castle Rock, Evergreen, and Parker. A sizable number of them are not students at CA during the academic year. Summers at CA are much less formal. Our top-notch staff conducts programs that are fun and challenging – intellectually and physically. CA's campus consists of 94 acres of beautiful Colorado countryside in southwest Denver.

Activities include:

- ✦ Archery field and equipment
- ✦ Baseball diamond
- ✦ Before & after camp
- ✦ Bus transportation available 
- ✦ Digital media lab
- ✦ Eight tennis courts and racquets
- ✦ Five large playing fields
- ✦ Four computer labs
- ✦ Lunch included for all full day campers
- ✦ Photography studio
- ✦ Red Cross-accredited swim lessons
- ✦ Seven-to-one overall camper-to-staff ratio
- ✦ Studio art workrooms
- ✦ Theater
- ✦ Vocal/instrumental music facility

With a wide variety of offerings from computers to circus, day camp to soccer, rock climbing to photography, fencing to rock band, there truly is something at CA in the summer for every school-age individual.

At CA Summer Programs, we place special emphasis on nurturing the self-confidence of our campers. Through teamwork and individual successes, appropriate risk-taking and challenging activities, each child gains a greater sense of self-worth and accomplishment.

Camp Dates: June 8-July 31

Fourth-of-July week will be a 4-day session with no programs on Friday, July 3.

Camp Hours: 9:00 a.m. to 3:30 p.m.

Visit www.coloradoacademysummer.org to register.

CA's Summer Day Camp Program
is ACA Accredited.

and match scheduling.

Camp Programs

Traditional Summer Day Camp Activities

Day Camp for 6- to 12-year-olds is the anchor of CA's summer programs and is offered for eight weeks of the summer. The Day Camp program is based on good old-fashioned, summertime fun! Join day camp for a full day or combine day camp activity blocks with specialty programs to create a fully customized day!

Daily activities include: adventure, archery (entering Grades 1-7), arts and crafts, free swim, campfire program (songs, stories, community building), HodgePodge, Red Cross-accredited swim lessons, tennis fun, rock climbing (2 days per wk), drama and music (skits, sing a silly song, be a star at the Thursday parent performance) and themes days that include a camp carnival, dunk tanks, inflatable water slides, kayak tanks, a circus performance and more!

\$298 per week for day camp

\$77 per 1.5 hour day camp block (when combined with other programs to create a full day)

*Rock Climbing is not offered Week 4.

Scan code to learn more
about our unique mix
and match scheduling.

Day Camp Overnight

Join us for a fun night of games, scavenger hunts, swimming, campfire stories, songs, skits, a cookout, campout in the gym, hot breakfast, and much, much, more! Available to entering 2nd-7th grades.

Requirements: Camper must be enrolled in a day program (day camp or specialty) during week 7. Camper must have participated in the day camp color groups at least one time during the summer. Campers are required to supply their own sleeping bag and pad. Space is limited and will fill up quickly.

Date: Thursday, July 23.

Entering Grades 2-7

Cost \$135

Specialty Camps / 5-18 Year-Olds

Enrich your child's camp experience with our specialty camps. In addition to our Day Camp program, we offer numerous Arts, Academics, Imagination, Sports, and Adventure camps. You can select a full-day program or combine any of our partial-day programs (including Day Camp Experience Blocks) to create a completely customized schedule for your child. *See program descriptions on page 36 for prices.*

Apprentice Counselor Program

The CA Summer Day Camp offers a two week Apprentice Counselor Program for young people (ages 13-15) who wish to gain valuable experience working with and caring for children as a counselor in training. Under the guidance of a leadership coach, the Apprentice counselors assist regular counselors in the management and care of campers. They explore different styles of leadership and learn the importance of being a good role model. In the process they learn the skills and responsibilities of working with children. They are expected to participate actively in all Day Camp activities and serve as a positive role model for campers. The Apprentice Counselors also provide assistance to the Assistant Director for Programs in setting up the various special Friday activities. Please visit our website to learn about the video application process.

\$435 for two weeks (\$390 for the 4th of July week)

Rainbow Day Camp / 5-Year-Olds

The Rainbow Program is designed for children who will turn five by June 8 and will be fall 2015 kindergartners.

Located in a campus facility specifically designed for this age group, campers participate in activities tailored to their needs. The Rainbow Program can be combined with partial-day specialty camps to create a unique schedule for your child. This program maintains a camper-to-staff ratio of 7:1. To ensure individual attention, the total number of campers does not exceed 21. Campers may choose to attend either a 5-day week or a 3-day week program.

\$180 for 3-day week

\$298 for 5-day week

Day Camp Theme Schedule

Give your child the camp experience without leaving Denver. They'll enjoy special themes each week. Theme activities are scheduled during the adventure block. Day camp maximizes the FUN with crazy food, dress-up days, theme activities, silly songs; and so much more.

Week 1: Disco Fever

Friday Activity: *Karaoke*

Week 2: CA Cruise Lines

Friday Activity: *Water Slides*

Week 3: Blast From the Past

Friday Activity: *CA Circus*

Week 4: Ship-Wrecked

Friday Activity: *Kayak Tanks*

Week 5: Gold Rush

Friday Activity: *Old Fashioned Country Fair*

Week 6: Secret-Agent Training Camp

Friday Activity: *Dunk Tanks, Slip n Slide*

Week 7: Out of this World

Friday Activity: *Water Slides*

Week 8: We've Got Game

Friday Activity: *Color Wars*

2:00-2:30	
2:30-3:00	Swim Lessons (2:15-3:00)(B4)
3:00-3:30	Closing Activities (B4)

How To Schedule

1. Calendar View: I need my child to be in camp for specific weeks. What is available? If there are specific weeks for which you need your child enrolled, go to the **weekly calendar starting on page 6** for information on programs that are offered by grade during those weeks. The calendars provide the name of all programs and page numbers that refer you to more detailed descriptions of the programs. If you are combining day camp experience and specialty programs, first review the **day camp schedule on page 4** to understand which day camp programs will be missed while your child is participating in the specialty program(s).

2. Program View: My child's schedule is flexible. What programs are available? If you are looking for **specialty programs** and have flexibility in your schedule, **detailed descriptions, dates, grades, and fees of all programs start on page 36.**

Putting It All Together: Once you know what is available and what your child is interested in, you can select from the following options:

- Rainbow Camp for 5-year olds (3 day or full week)
- Full day of week-long Day Camp for 6- to 12-year olds
- Full day or partial day of week-long Specialty Programs
- Partial day, week-long specialty programs and 1.5 hour Day Camp blocks to create a full day

Sample Camper Days - Mix and Match all Programs

Combine Day Camp Experience blocks (\$77 each block per week) and specialty camps (cost varies) to create the perfect day for your child. To calculate the total weekly cost, add the price of all programs together.

Please use this guide to determine the camp times.

Yellow: 1.5 Hour Camp **Blue:** Half Day Camp **Pink:** Full Day Camp

Sample 1: Tennis (9 a.m.-10:30 a.m.) + Day Camp Experience (10:30 a.m.-12:00 p.m.)
+ Cupcake Challenge (12:30 p.m.-3:30 p.m.)=Full Day

9:00-10:30 ☑ Tennis	10:30-12:00 ☑ Day Camp Experience	12:30-2:00	2:00-3:30
9:00-12:00		12:30-3:30 ☑ Cupcake Challenge	
9:00-3:30			

Sample 2: Day Camp Blocks 1 & 2 (9 a.m.-12 p.m.) + Minecraft (12:30-3:30 p.m.) = Full Day

Sample 3: Volleyball (9 a.m.-12 p.m.) + Stained Glass (12:30-3:30 p.m.) = Full Day

Sample 4: Scuba Diving (9 a.m.-3:30 p.m.) = Full Day

Sample 5: Day Camp or Rainbow Camp (9:00 a.m.-3:30 p.m.) = Full Day

Sample 6: Little Strummers Guitar Camp (9 a.m.-12 p.m.) = Half Day

Registration

Registration opens **Thursday, January 29**. Many of our camps fill up quickly so register online soon. Find detailed program descriptions, program availability, and online registration at www.coloradoacademysummer.org.

☐ E-Learning (entering grd 9), p 42

12:30-2:00

2:00-3:30

9:00-3:30

☐ Learn to Sail (entering grades 9-12), p 52

Week 8 Schedule: July 28 - August 1

9:00-3:30

- ☐ Intermediate Golf (entering grades 9-11), p 49
- ☐ Learn to Sail (entering grades 9-12), p 52

Academic Prep, Science, Technology, History, Writing, World Language

The Summer Academic programs provide opportunities for students who want to enhance their academic preparation during summer vacation or just pursue an area of academic interest. Academic teachers are Colorado Academy staff members and experienced professionals from schools across the country. Many courses can be combined with participation in CA Summer Day Camp.

ABC's, It's Easy as 1, 2, 3!!!

July 27-July 31

9:00 a.m.-3:30 p.m.

Entering Grade: Kindergarten

Get your child ready for kindergarten with this engaging and enriching class for incoming kindergartners! We review and solidify important skills through shared reading, rhyming, alphabet and word games, as well as math activities that build number sense and pattern knowledge. We have outdoor activities and daily snacks. Help build your child's confidence and prepare him/her for the wonderful world of kindergarten!

\$305

Instructor: Kass Patterson

First Steps to First Grade

July 20-July 24

9:00 a.m.-3:30 p.m.-Entering Grade 1.

Help your child get ready for the big step from kindergarten to first grade by reinforcing and continuing their academic skill development. This activity-based (non-remedial) program includes skill enhancement in both language arts and math, and prepares children to enter first grade with confidence. \$305

Instructor: Kass Patterson

Intensive Reading Support with a Certified Academic Language Practitioner

Take Flight:

June 8-July 31 (eight weeks)

Entering grades 2-4

Two Programs:

10:30 a.m.-12:00 and 2:00 p.m.-3:30 p.m.

This program is an 8-week long, intensive literacy intervention for children ages 7 and up. The curriculum is research-based. The sessions are designed for small groups and target the 5 essential components of effective reading instruction: phonemic awareness, phonics, fluency, vocabulary, and comprehension. Daily lessons are cumulative and there is nightly homework (20 minutes minimum). \$1,120 for eight weeks.

Instructor: Tina Rivera

Pre Flight PLUS: for the Younger Child

June 8-July 31 (eight weeks)

Entering grades K-1.

Two Programs: 9:00 a.m.-10:30 a.m. and 12:30 p.m.-2:00 p.m.

This program is designed for children K-1st grade. It addresses the 5 essential components of effective reading instruction: phonemic awareness, phonics, fluency, vocabulary, and comprehension. Through movement, stories, and direct instruction, children will learn necessary foundational reading skills. This program also lasts 8 weeks and is cumulative. The "Sounds Abound" lessons will be used to target rhyming, initial/final sounds, blending/segmenting words, and reading at levels appropriate for each individual child. There is a nightly homework requirement for this class as well (15 minute minimum).

\$1,120 for eight weeks

Instructor: Tina Rivera

Academic Skills: Math and Reading

Program 1: June 15-June 26

(Two week program)

Program 2: July 6-July 17

(Two week program)

9:00 a.m.-10:30 a.m. Math

Entering grades 6-7

10:30 a.m.-12:00 p.m. Reading

Entering grades 4-5

12:30 p.m.-2:00 p.m. Math

2:00 p.m.-3:30 p.m. Reading

Achievement-oriented, these programs provide an opportunity for younger students to improve their academic skills in math and reading. Instruction is tailored to the needs of each student. Class sizes are kept to a maximum of six students.

Mathematics: Developing computation skills and understanding basic math processes are the major components of the math program. At the first class meeting, students are tested and a personalized plan is developed for each student. Upon completion, a final report is prepared that includes goals achieved and areas needing further attention. \$220

Reading: Students learn to be active participants in the reading process while focusing on comprehension and decoding skills. The program includes vocabulary development, book analysis and discussion, summary writing, and honing main idea, conclusion, and inference skills.

\$220

Instructor: Rachel Ostreko

Academic Skills for Grades 2 and 3: Math and Reading

July 20-July 31 (Two week program)

Maximum Enrollment per Course: 6

9:00 a.m.-10:30 a.m. Math

10:30 a.m.-12:00 p.m. Reading

Math: Achievement oriented, this program provides an opportunity for younger students to improve their academic skills in math. Instruction is tailored to the needs of each student and offers pre-testing and development of an individualized academic plan, with a final report of goals achieved and areas needing further attention. \$220

Reading: Achievement oriented, this program provides an opportunity for younger students to improve their academic skills in reading. Instruction is tailored to the needs of each student and offers pre-testing and the development of an individualized academic plan with a final report of goals achieved and areas needing further attention. \$220

Instructor: Lori Noricks, Stephanie Stone, Rachel Ostreko

Count Me In Math Camp For Girls

July 13-July 17

9:00 a.m.-12:00 p.m.-Entering grades 3-5

12:30 p.m.-3:30 p.m.-Entering grades 1-3

Girls enhance their math skills through engaging and purposeful games and activities. Your daughter will play, dance, create and compete in activities designed specifically for girls that let girls collaborate to solve challenging problems and strengthen their math skills. \$200

Coordinator: Eleanora Archie & Shelley DeRock

Study Skills for Middle School

July 20-July 31 (Two week program)

Program 1: 12:30 p.m.-2:00 p.m.

Entering Grades 6-8

Help your child develop critical learning skills needed for the challenges of middle school.

This program teaches your child how to organize, prioritize and prepare by focusing on note-taking strategies, active listening skills, ways to improve memory, paragraph organization techniques, effective textbook reading methods as well as test preparation tips. Fee includes textbook and materials.

\$220 Instructor: Rachel Ostreko

Journalist for a Week

July 6-July 10

9:00 a.m.-12:00 p.m.

Entering grades 4-6

What would life be like as a journalist? Learn how to brainstorm ideas, interview potential sources, compose interesting write ups, take pictures, edit work, design advertisements, and pull everything together into a colorful newspaper or magazine to present to parents.

\$190 Instructor: Eleanora Archie

Get It In Writing!

July 13-July 17

9:00-12:00-Entering grades 6-8 (5 days)

12:30-3:30-Entering grades 9-12

(4 days: Monday through Thursday)

Do you dread writing papers or college entrance essays? Master the basic format of every paper you'll ever have to write from now through college! Learn how to effectively read fiction and poetry, as well as avoiding the 6 basic SAT/ACT grammar bloopers. Bring in any essay you are currently working on – from summer reading reports to entrance essays – for a real boost.

Entering grades 6-8: \$200

Entering grades 9-12: \$160

Instructor: Ann Ferrell

Creative Writing Boot Camp

June 22-June 26

9:00 a.m.-12:00 p.m. -Entering grades 6-8

12:30 p.m.-3:30 p.m.-Entering grades 9-12

Be a budding poet or novelist and use your imaginative skills to write poetry and short fictional pieces. Study the basics of fiction writing by delving into mood, characterization, and plot development; think in metaphor as you compose poetry in a variety of styles and genres. Share your writing with others and publish your work in your own literary magazine.

\$200 Instructor: Ann Ferrell

Charlie and the Chocolate Factory

June 15-June 19

12:30 p.m.-3:30 p.m. Entering grades 3-5

Willy Wonka's incredible factory is an

embodiment of creativity and imagination.

Come and explore your own creativity in this Charlie themed camp, where you can get involved in a whole host of bonkers arts and craft activities. Listen to the ENTIRE book of Charlie and the Chocolate Factory, sample homemade candy creations, and join Charlie on his magical adventure with a viewing of the movie. \$190

Instructor: Steph Sanders

Detective Science

Program 1: June 8-June 12

Program 2: July 27-July 31

12:30 p.m.-3:30 p.m.-Entering Grades 4-7

Come join us for a week-long mystery extravaganza during which student detectives conduct hands-on forensic science tests on evidence found at the "crime scene." Students perform tests on clues in the forensic laboratory, including thread comparison tests, chromatography, pH tests and powder tests. Through observation, experimentation, and discussion, we attempt to solve the mystery. \$190 Instructor: Shelley DeRock

Slimy Science

July 27-July 31

Four Programs: 9:00 a.m.-10:30 a.m.

10:30 a.m.-12:00 p.m. 12:30 p.m.-2:00 p.m.,

2:00 p.m.-3:30 p.m.

Entering Grades 1-4

Make some icky stuff and get slimy experiences while learning about science you can really use! Learn about colloids, polymers and solvents by using everyday household substances to demonstrate such things as water polarity and also get to create the ultimate bubble recipe. \$125 Instructor: Angie Hertz

Wetland Warriors at Audubon Nature Center

July 13-July 17

9:00 a.m.-3:30 p.m.-Entering grades 4-6

Put on your water shoes and roll up those pants to explore Colorado's wild waters!

Catch water wildlife, examine & build beaver dams, and explore wetlands through river walks, hikes, and pond mucking in and around Chatfield's South Platte River. Using nets, water quality testing kits and other scientific equipment, navigate rivers, sample water, and explore wildlife found in wetland habitats. See live raptors up close during a visit from Wild Wings and find out how these amazing birds rely on the wetlands for survival. Get your feet wet (literally) every day with games, science experiments, investigations, and an appreciation of Colorado wetlands. Required equipment: daypack, water shoes with a heel or heel strap (no flip-flops), change of clothes or a towel, filled water bottles, sunscreen, insect spray, a hat, sunglasses, and a desire to get wet! \$355 Instructor: Kristine Helsper

Bird Nests at Audubon Nature Center

June 22-June 26

9:00 a.m.-3:30 p.m.-Entering grades 1-3

Have you ever wondered WHOOO is in your backyard or on your fence post? Let the Audubon Society help you to become a junior birder by seeing local live raptors up close during a visit from Wild Wings, hiking through bird habitats (Chatfield State Park, Waterton Canyon, Lake Lehow), and pond mucking for bird food. Use binoculars and other scientific tools to practice bird classification & observation of owls, hawks, ducks, and songbirds. Required equipment: daypack, walking shoes, long pants, filled water bottles, sunscreen, insect spray, a hat, sunglasses, and a love of Colorado birds! \$355

Instructor: Kristine Helsper

Wildlife Detectives at Audubon Nature Center

July 27-July 31

9:00 a.m.-3:30pm-Entering grades 3-5

Become a wildlife detective at the Audubon Nature Center at Chatfield State Park! Spend the week outdoors exploring Muskrat pond in search of tadpoles and insects, discovering the complexities of animal camouflage, examining nature artifacts, and investigating nature through art. Visit with live raptors from Wild Wings to study owl and hawk behavior. Through an animal crime scene investigation, find out what local animal residents have been sneaking around the Audubon Nature Center! Required equipment: daypack, walking shoes, long pants, filled water bottles, sunscreen, insect spray, a hat, sunglasses, and a love of Colorado wildlife!

\$355 Instructor: Kristine Helsper

Creepy, Crawly Nature

June 8-June 12

9:00 a.m.-10:30 a.m. Entering grades 2-3

Insects rule the world! They creep, crawl, fly, buzz, and flutter all around us. Make bug traps, build a bug habitat, design buggy costumes to wear, and spend lots of time exploring the creepy, crawly animals in the natural areas of CA.

\$120 Instructor: Suzy Hiskey

Mythbusters

June 8-June 12

10:30 a.m.-12:00 p.m. Entering grades 4-5

Are Daddy longlegs poisonous? Do earwigs crawl into ears? Do all mosquitos bite? Build bug traps, observe insects in CA's natural areas, and explore the facts and fiction of the insect world. Don't let the bed bugs bite – bring your buggy questions and we'll get to the bottom of the myth!

\$120 Instructor: Suzy Hiskey

Icky, Sticky Nature**June 15-June 19**

9:00 a.m.-10:30 a.m. Entering grades 2-3
Get dirty exploring the icky, sticky world of life under rocks, in muddy pond water, or under the ground. Search for roly-polys, worms, and other animals that live in, eat, and make dirt! Wear your grungiest clothes, and bring clean clothing to change into when you are done – you will get dirty.
\$120 Instructor: Suzy Hiskey

Dirty Jobs**June 15-June 19**

10:30 a.m.-12:00 p.m. Entering grades 4-5
Stinky skunks, vomiting vultures and icky insects can be pretty gross! Find out why some animals do disgusting things to survive on the dirty side of nature. Search through dirt, under rocks, and in pond water to find the creature with the dirtiest job in CA's natural areas. \$120 Instructor: Suzy Hiskey

Spy Kids - Nature**June 29 – July 2** (four days)

9:00 a.m.-10:30 a.m. Entering grades 2-3
Use your "spy skills" to discover animal tracks, trails and signs, and discover the mammals, birds, insects and reptiles that hide and hunt in the natural areas of CA. Play games, hike CA trails, and create crafts to explore how animals survive in the wild.
\$100 Instructor: Suzy Hiskey

Nature CSI (Crime Scene Investigation)**June 29-July 2** (four days)

10:30 a.m.-12:00 p.m. Entering grades 4-5
Use tools of detection to uncover a nature crime scene. Perfect your observation skills to discover animal tracks, trails and signs to solve the mystery. Play predator/prey games and camouflage games to see how animals survive, and discover the animals that hide and hunt in the woods and fields of CA natural areas. \$100 Instructor: Suzy Hiskey

**Treehouse Masters
Nature's Homes****July 6-July 10**

9:00 a.m.-10:30 a.m. Entering grades 2-3
Discover what it takes to live in the wild, whether you are a predator or prey, vertebrate or invertebrate. From fast fliers to sneaky hid-ers, animals go to amazing lengths to survive, and they build amazing structures to protect themselves and their young. Learn how to build nests, weave webs, dig burrows, and build shelters. Join in the fort building fun!
\$120 Instructor: Suzy Hiskey

Kid vs. Wild-Survival Skills**July 6-July 10**

10:30 a.m.-12:00 p.m. Entering grades 4-5
Do you have what it takes to survive in the

wild? Test your nature survival skills as you learn to build shelters, start a fire without a match, cook using the sun, track animals, and find your way using landmarks, map, and compass. Practice skills you need to have safe adventures away from home.
\$125 Instructor: Suzy Hiskey

Animal Arts**July 6-July 10**

12:30 p.m.-2:00 p.m. Entering grades 2-3
Discover the artistic and theatrical side of wild animals during this creative camp. Practice hummingbird dives, build a bower bird bower, weave a spider web, sing the cicada song, and do the sage grouse stomp! Act out animal antics through art projects, role playing, imaginative play, and costume creation.
\$120 Instructor: Suzy Hiskey

Art of Science**Program 1: June 15-June 19****Program 2: June 22-June 26**

9:00 a.m.-12:00 p.m. Entering grades 4-8
Do you love both art and science? Come and explore the history and techniques of artists who were also known for their knowledge and training in science, math, and engineering. Students create pieces of art based on the techniques of artists such as Alexander Calder, Leonardo Da Vinci, Rube Goldberg, and M.C. Escher. We spend a week using our scientific and mathematical minds to design and create pieces of art inspired by the masters. \$190 Instructor: Christine Jones

Wetland Exploration**Program 1: June 15-June 19****Program 2: June 22-June 26**

12:30 p.m.-3:30 p.m. Entering grades 4-8
Let's go explore the ponds, streams, and local wetlands and learn about the aquatic creatures that live in the water. Students collect and observe aquatic specimens, classify various insects, and learn about the aquatic habitats that support these creatures. If you love wading in the water, handling insects, and observing nature this program is for you!
\$190 Instructor: Christine Jones

Chess**Program 1: June 15-June 19****Program 2: July 13-July 17****Program 3: July 27-July 31**

9:00-10:30, 10:30-12:00, 12:30-2:00, 2:00-3:30. Entering grades K-5
This camp is open to beginner and Intermediate players. Students learn basic chess strategies and tactics, as well as chess etiquette. The class is taught by 5-time Denver Chess Champion and National Chess Master Todd Bardwick. Todd has been a full-time chess teacher for almost two decades. \$155

Camp Invention**July 27-July 31**

9:00 a.m.-3:30 p.m.-Entering grades 1-7
Camp Invention is where BIG ideas become the next BIG thing! Local educators lead a week of hands-on activities created especially for elementary school children. Time will be spent constructing a freestyle racing cart and taking apart electronics to assemble something new. \$370

Space Camp**Program 1: June 29-July 2** (four days)**Program 2: July 20-July 24**

9:00 a.m.-3:30 p.m. Entering grades 3-8
Time to blast off for a week of all things space! Through active games, awesome crafts and stellar science and cooking projects, we will learn about eclipses, comets and asteroids, constellations, planets, phases of the moon, how to tell time with the sun and so much more. We will make homemade moon sand, galaxies in a jar, rockets that really blast off and a pinhole projector to safely look at the sun. And last but not least, we will take an excursion to the Nature and Science Museum to see an IMAX film and explore the Space Odyssey exhibit, as well as to the National Oceanic and Atmospheric Association (NOAA) to learn about space from real astronomers. Program 1: \$280/ Program 2: \$350 Instructor: Angel Carlson

Banking on the Future**June 22-June 26**

12:30 p.m.-2:00 p.m.- Entering grades 6-8
2:00 p.m.-3:30 p.m.-Entering grades 4-5
Banking on Our Future (BOOF) is a youth financial literacy program that gives youth a strong understanding of money, banks and finances. A very interactive life-skills program, students will learn about being self-sufficient, financially stable, and a role model for others. The program covers the importance of a budget, managing and saving money, how to write out checks, withdrawal and deposit slips, and the complexities of credit cards and loans so that the students are empowered to take control of their financial futures. \$100

Girls' Leadership Institute**June 8-June 12**

9:00 a.m.-3:30 p.m.; Entering grades 4-5
Looking for a camp that is fun and meaningful? Girls' Leadership Institute Summer Day Camp is specifically tailored for rising 4th & 5th grade girls. Throughout this week we provide the space for girls to be silly and play, while also equipping them with the tools to build healthy and rewarding relationships. By the end of the week, they form an amazing community of girls that give each other the courage to take risks and the confidence to be their authentic selves! \$430

Divergent

June 15-June 19

9:00 a.m.-3:30 p.m.-Entering grades 6-8
Did you love the Divergent trilogy? We'll spend a whole week exploring activities that embody each of the five factions: Dauntless (the Brave), Erudite (the Intelligent), Amity (the Peaceful), Candor (the Honest), and Abnegation (the Selfless). Several days involve field trips in the Denver area, including Elitch Gardens and the Denver Art Museum. By the end of the week you'll have a better sense of what faction you'd belong to if you lived in Veronica Roth's dystopia-or maybe you're Divergent yourself!

\$320 Instructor: Allie Bronston

Be a Better Babysitter

June 15-June 19

12:30 p.m.-3:30 p.m.- Entering Grades 5-8
Become an in-demand sitter and have fun doing it. Learn how babies, toddlers, and preschoolers develop. Make age-appropriate games and activities and prepare healthy and fun snacks. Rid yourself of inhibitions as you role-play various babysitting scenarios. By the end of the week you are the sitter that every parent wants to hire!

\$190 Instructor: Sandy Dubois

Make a Game,

Make a Difference

June 22-June 26

12:30 p.m.-3:30 p.m.- Entering Grades: 5-8
Due to the popularity of our "Make a Book, Make a Difference" program, this companion class works together with our Horizons program to make educational games for their youngest children. Horizons is a summer enrichment program that offers low-income and disadvantaged school children academic reinforcement. Campers will design and make educational games based on the identified needs of the children, including games teaching letter recognition, numbers, rhyming, matching, counting, opposites, and much more! Games will be given to the Horizons teachers and our Horizons buddies can then continue to play and learn all year long, thanks to our campers!

\$190 Instructor: Sandy Dubois

Make a Book,

Make a Difference

June 8-June 12

12:30 p.m.-3:30 p.m.- Entering Grades 5-8
Are you creative? Do you like fun projects? Do you like young children? Do you want to make a difference in the life of a preschooler? If so, take part in this worthwhile activity. The non-profit organization Rocky Mountain Parents as Teachers (RMPAT), works with families in the Denver area, many of whom have little or no access to books. How wonderful it would be for these children to have a book made especially for them! That's where

you come in. Working together with a parent educator from RMPAT, you receive information on one child who has been identified by his/her parent educator as either needing a "boost" or just loving books. Equipped with their name, age, interests, and photographs, you will hone your computer skills as you create a book specifically designed for that child in which he or she is the main character. You write a story and illustrate it on the computer, inserting the child into the action on each page. This book will then be professionally laminated and bound. On the final afternoon, we bring as many of the families as can come to campus to receive their books, meet the authors, and have a celebratory party. This program requires a commitment to being there and working hard for the full week. RMPAT educators are very excited about offering this program for the seventh year and look forward to using these books to help them encourage literacy and bring joy to the families they serve.

\$190 Instructor: Sandy Dubois

Kinetic Art

July 13-July 17

Two Programs: 9:00 a.m.-12:00 p.m. and 12:30 p.m.-3:30 p.m.
Entering grades 1-4

Have you ever wanted to build something, only to knock it down right away? Well, in this crazy camp, you will! This week you'll have the chance to build domino rallies featuring spectacular obstacles and out-of-this world displays. You'll learn how to build contraptions that pop into the air or collapse once you release a trigger. Challenge your fellow campers to join you in races and building contests. Just remember to be careful, because one false move and the show starts without you! \$190 Instructor: Angie Hertz

Junior Inventors/Engineers

June 22-June 26

12:30 p.m.-3:30 p.m.
Entering grades 2-4

In this fun workshop, we will create our own designs and make structures using a variety of different materials like: recyclable materials, marshmallows, lifesavers, paper bags and many, many more. We will also tackle problems like how to walk on paper cups without crushing them, different designs to make the best roller coaster for a marble, and which paper airplane design can fly the farthest. These and many other interesting problems form the basis for this student-centered engineering course that will help campers understand the basic principles of building and design.

\$190 Instructor: Steph Sanders

Spanish is Fun

Program 1: June 22-June 26

Program 2: July 6-July 10

9:00 a.m.-3:30 p.m.-Entering Grades K-5
Every child loves a fiesta! Join us for specially designed children's activities leading up to our Fiesta Day at the end of the week. There's music, dance, food and more! Make a piñata, get moving with Zumbatomic, and make empanadas. Use Spanish commands, daily expressions, vocabulary, and cook Latin food. Could there be a better way to learn conversational Spanish? \$410

iCamp @ CA

Available every week from June 8-July 31

Entering Grades 2-8
Morning Sessions: 9:00 a.m.-12:00 p.m.
Afternoon Sessions: 12:30 p.m.-3:30 p.m.
Full Day Sessions: 9:00 a.m.-3:30 p.m.
Create your own day camp experience! Completing applied technology adventures, activities occur both on and off the computer. Participants engage with Engineering, Robotics, Animation, Digital Video Production, Digital Art, Sound Recording and Video Game Design. Participants select 4 to 6 projects that they will complete during their session to enhance their awesome, natural creative abilities and boost their 21st century skills! Half Day: \$240; Full Day: \$420
Fourth of July Week Half Day: \$195
Fourth of July Week Full Day: \$335

Playwell Teknologic Camps:

Pre-Engineering with LEGO®

June 8-June 12

12:30 p.m.-3:30 p.m.-Entering Grades: K-2
Let your imagination run wild with tens of thousands of LEGO®! Build engineer-designed projects such as boats, bridges, mazes and motorized cars, and use special pieces to create your own unique design! Explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. This is an ideal way to prepare young builders for the challenge of Engineering FUNDamentals. \$190

Engineering FUNDamentals with LEGO®

June 8-June 12

9:00 a.m.-12:00 p.m.- Entering Grades 3-6
Power up your engineering skills with Play-Well TEKologies and tens of thousands of LEGO®! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as arch bridges, skyscrapers, motorized cars, and the Battletrack! Design and build as never before, and explore your craziest ideas in a supportive environment. An experienced instructor will challenge new and returning students to engineer at the next level. \$190

Aerospace FUNDamentals using LEGO®

July 27-July 31

9:00 a.m.-12:00 p.m. Entering grades 3-6
Learn the secrets of flight in Aerospace FUNDamentals! Study the work of the masters, then build a LEGO® model of the largest rocket in history, and design your own Mars Rover. Explore the history flight, from Icarus to DaVinci to the Wright Brothers to NASA. Come discover how birds, stealth fighters, blimps, and rockets all use the same FUNDamental concepts to actually fly! \$190

Lift-Off using LEGO® K-2

July 27-July 31

12:30 p.m.-3:30 p.m.
Do you wish you could fly? Do you dream of breaking the sound barrier, or landing on Mars? Then this camp is for you! Build LEGO® models of every kind of flying machine, from wings that flap like a bird's, to Mustangs, Stealth Bombers, and NASA rockets. Then discover how real-world aircraft and spacecraft actually fly! \$190

Construction Vehicles and Machines with LEGO®

June 15-June 19

9:00 a.m.-12:00 p.m.-Entering grades K-2
Dig into engineering with big trucks, construction vehicles and super machines. Explore the engineering terms, concepts, and vocabulary behind large scale building machines. Build and learn about steamrollers, bulldozers, wrecking balls, tower cranes, and more while building with your favorite building system, LEGO®. \$190

Engineering Challenge using LEGO®

June 15-June 19

12:30 p.m.-3:30 p.m. Entering grades 3-6
Create a massive machine in the style of a Rube-Goldberg invention. Learn how to build a variety of motorized devices such as an air compressor, scissor lift invention, and a marble moving crankshaft in this advanced engineering camp. Then, collaborate in small groups with other engineers to accomplish large scale missions! Creativity and collaboration are the name of the game in this camp designed for the hard-core LEGO® enthusiast. \$190

Mine, Craft, Build Survival Game using LEGO®

June 22-June 26

9:00 a.m.-12:00 p.m. Entering grades 3-6
Bring Minecraft to life using LEGO®! Resourcefulness, creativity, and cooperation come together in this unique building adventure game; roll the dice to mine for resources, craft tools, and watch out for Creepers! This ultimate LEGO® Minecraft experience

is an original game designed by Play-Well instructors, using gameplay elements and characters inspired by the popular Minecraft video game. Students will have a blast, even without any prior experience with Minecraft or LEGO®. \$190

Mine, Craft, Build Adventure Game using LEGO®

June 22-June 26

12:30 p.m.-3:30 p.m. Entering grades K-2
Bring Minecraft to life using LEGO®! Resourcefulness, creativity, and cooperation come together in this unique building adventure game; roll the dice to mine for resources, and use these resources to build special items to help in our adventures! Build a Zoo, create a Medieval Castle, and design a Tree House Village! This LEGO® experience is an original game designed by Play-Well instructors inspired by the popular game, Minecraft. Students will have a blast, even without any prior experience with Minecraft or LEGO®. \$190

Pre-Engineering: Mine, Craft, Build using LEGO®

July 20-July 24

9:00 a.m.-12:00 p.m. Entering grades K-2
Bring Minecraft to life using tens of thousands of LEGO®! Build engineer-designed projects such as a motorized Creeper, a portal to the Nether, and a moving Minecart! Create your favorite Minecraft objects with the guidance of an experienced Play-Well instructor. Whether you are new to Minecraft and LEGO® or a seasoned veteran, you'll be hooked on the endless creative possibilities. \$190

Engineering FUNDamentals: Mine, Craft, Build using LEGO®

July 20-July 24

12:30 p.m.-3:30 p.m. Entering grades 3-6
Bring Minecraft to life using LEGO®! Build a motorized walking Creeper, a terrifying Ghast, and a motorized Minecart! This project-based camp, designed by Play-Well instructors, combines the basic format of our core engineering-themed programs based on the world of Minecraft. Students will explore real-world concepts in physics, engineering, and architecture while building their favorite Minecraft objects. Students will have a blast, even without any prior experience with Minecraft or LEGO®. \$190

Jedi Engineering using LEGO®

July 6-July 10

12:30 p.m.-3:30 p.m.-Entering grades K-2
Young Jedi will explore worlds far, far away and engineering principles right in front of them. Defeat the Empire by designing and refining LEGO® X-Wings, R2-units, and

settlements on far-flung edges of the galaxy. Imagination and engineering combine to create motorized and architectural projects such as energy catapults, shield generators and defense turrets. \$190

Jedi Master Engineering using LEGO®

July 6-July 10

9:00 a.m.-12:00 p.m. Entering grades 3-6
The Force is strong in this class. Build complex machines and structures based on the best designs from a galaxy far, far away. Projects include LEGO® X-Wings, AT-AT walkers, Pod Racers, Star Destroyers, Cloud Cities, settlements, and fortresses. Play-Well's Jedi instructors reinforce key engineering concepts such as gear trains, worm drives, pneumatics, eccentric motion and more as students tap into the powerful forces of imagination and engineering. \$190

Jr. Robotics using LEGO® WeDo

July 13-July 17

12:30 p.m.-3:30 p.m. Entering grades 1-3
Build and program robots in this introductory Robotics class using the LEGO® WeDo system. Learn basic programming skills, simple engineering concepts, and the names of robot components. Work in small groups to complete several projects using tilt and motion sensors. This is a great way to prepare young Robotics enthusiasts for our more advanced Robotics programs. \$230

Robotics using LEGO® EV3

July 13-July 17

9:00 a.m.-12:00 p.m. Entering grades 4-6
Build and program robots using the new LEGO® Mindstorms EV3 system! Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. Work in small groups, program and build your robot, and rise to the challenge. Control the robot to avoid obstacles, pick up and carry objects, and play sounds. Projects are structured so that students work in an open-ended, investigative environment while having fun. \$230

Ninjaneering using LEGO®

July 13-July 17

9:00 a.m.-12:00 p.m. Entering grades K-2
Enter the world of Ninjago and become an apprentice Ninjaneer! Learn the way of Spinjitzu, build the Fire Temple, race Skull Trucks, and encounter the mighty Dragon! Imagine and build unique and fun projects with the guidance of an experienced Play-Well instructor while exploring the fantasy world of Ninjago. This is an ideal way to prepare young Ninjaneers for the challenge of Ninjaneering Masters with LEGO® camp. \$190

Ninjaneering Masters using LEGO®

July 13-July 17

12:30 p.m.-3:30 p.m. Entering grades 3-6 Master the world of Ninjago by becoming a Ninjaneer! Tame the Ice Dragon, motorize your Blade Cycle, design the Dark Fortress, and hone your Spinjitzu battle skills! In this advanced LEGO® camp, Ninjaneering masters will learn real world concepts in physics, engineering, and architecture while exploring the fantasy world of Ninjago. \$190

Bassem Bots with LEGO®

June 29-July 2 (four days)

9:00 a.m.-12:00 p.m.-Entering grades 3-6 Have you ever wanted to learn how to make a massive motorized LEGO® machine? Our Play Well Engineering instructors guide students in this advanced Play-Well engineering camp, as they re-engineer standard LEGO® vehicles into mechanized machines that can traverse challenging obstacles, battle against fellow bots, and take on Play-Well Instructors' colossal creations. \$155

SuperHero Engineering using LEGO®

June 29-July 2 (four days)

12:30 p.m.-3:30 p.m. Entering grades K-2 Save the world with LEGO® Super Heroes! Build the hideouts and vehicles of your favorite caped crusaders and learn what makes them not only Super Heroes, but Super Hero Engineers! An experienced Play-Well instructor guides young heroes as they design, build, and save a city where ingenuity and imagination can solve any conflict. \$155

All-Girls Pre-Engineering using LEGO®

June 8-June 12

9:00 a.m.-12:00 p.m. Entering grades K-2 A NEW Play-Well offering for girls who love to build! Taught by women engineers and scientists, this course will provide a supportive environment for girls to build engineer-designed projects such as boats, bridges, mazes, and motorized cars. Explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. \$190

All Girls Engineering Fundamentals using LEGO®

June 8-June 12

12:30 p.m.-3:30 p.m. Entering grades 3-6 A NEW Play-Well offering for girls who love to build! Taught by women engineers and scientists, this course will provide a supportive environment for girls to apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as arch bridges, motorized cars, skyscrapers and amusement parks! Design and build as never

before, and explore your craziest ideas in an interactive environment. Curriculum created for LEGO® lovers and newbies alike! \$190

Playdough Pianos and Clothespin Keyboards (Myers Learning)

June 8-June 12

9:00 a.m.-12:00 a.m. Entering grades 3-8

July 27-July 31

12:30 p.m.-3:30 p.m. Entering grades 3-8 Participants in this one-week camp learn to program computers by building their own music players—physical devices that create Digital Music. They build their music players out of clothespins, play-dough, wires, mat board, duct tape, bottle caps, and tinfoil. Kids design their players in Scratch, a free MIT-developed computer programming language for children. The camp is social, playful, artistic, and fun. It is ideal for kids who love to create, build, and share. \$190 Instructor: Myers Learning

Build Your Own Game Controllers

Program 1: June 8-June 12

12:30 p.m.-3:30 p.m. Entering grades 1-5

Program 2: July 27-July 31

9:00 a.m.-12:00 p.m. Entering grades 1-5 Participants in this one-week camp learn to program computers by building their own videogame controllers. First, they learn to create their own video games. Then, they build controllers for their games out of egg cartons, wire, duct tape, foam rubber, bottle caps, and tinfoil. Then they get friends and teachers to play and test their games and devices. Kids design their games in Scratch, a free MIT-developed computer programming language for children. To build their controllers, they use a sensor board containing light sensors, sound sensors, touch sensors, and resistance sensors that extend the Scratch programming language into the physical world. The camp is social, playful, artistic, and fun. It is ideal for kids who love to create, build, and share.

\$190 Instructor: Myers Learning

Animation & Digital Art with Scratch (Myers Learning)

Program 1: June 15-June 19

9:00 a.m.-12:00 p.m.-Entering grades 3-8

Program 2: July 20-July 24

12:30 p.m.-3:30 p.m.-Entering grades 1-5 Participants in this one-week camp learn to program computers by creating their own interactive art. They can build their own Magic Pens, Etch-a-Sketches, and Color-Splattering Machines, and they can create new projects of their own. Kids design their interactive art projects in Scratch, a free MIT-developed computer programming language for children. They learn to use Scratch from any computer in the world, publish their artwork

to the web, and set up a Scratch website to share their projects with parents, siblings, and friends. The camp is social, playful, artistic, and fun. It is ideal for kids who love to create, build, and share. No prior computer programming experience is needed. \$190 Instructor: Myers Learning

Video Game Coding with Scratch (Myers Learning)

Program 1: June 15-June 19

Entering grades 1-5

12:30 p.m.-3:30 p.m.

Program 2: July 20-July 24

9:00 a.m.-12:00 p.m.

Entering grades 3-8

Participants in this one-week camp learn to program computers by creating their own video games. They can build their own versions of classic games like Pong, Pac-Man, and Brick Breaker, or they can create new games of their own. Kids build their games in Scratch, a free MIT-developed computer programming language for children. They learn to use Scratch from any computer in the world, publish their games to the web, and set up a Scratch website where they can share their games with parents, siblings, and friends. The camp is social, playful, artistic, and fun. It is ideal for kids who love to create, build, and share. No prior computer programming experience is needed.

\$190 Instructor: Myers Learning

Modern Design and Fabrication

June 15-June 19

9:00 a.m.-3:30 p.m. Entering grades 5-8

During this one-week design camp, you design and fabricate a product with a specific function and personal style using the digital and manual design tools in the CA Upper School's Innovation Lab. You may use the 3D printer, laser cutter & engraver, CNC mill, and other tools - along with the corresponding design software - to create and build something that meets a specific need in your life or within your home. Participants will use the Design Thinking process including brainstorming, researching, and prototyping while testing and evaluating the product throughout the entire process. All participants have the opportunity to take home a product that they have designed and built to their own specifications. \$370

Instructor: Chris Roads and Katy Hills

Little Farm in the City

June 22-June 26

9:00 a.m.-3:30 p.m. Entering grades 4-7

Have you ever thought about what it would take to live off the land in the city? This week we'll visit urban gardens and farms around Denver to learn about raising animals, growing food, and making edible and wearable, locally-produced goods. \$360

Instructor: Allie Bronston
& Allison Peters

E-Learning

Two Programs: July 6-July 17 and

July 20-July 31

Entering grades 4-9

These online summer school programs are available in our computer lab and facilitated

by one of our instructors. Programs available for all ages. Choose from Geometry, Technology, Elementary, Language Arts and Math, English, World Languages, Algebra Prep, Game Design, World History, Criminal Investigations, Anatomy and Physiology, and more! \$240 for two weeks.

Imagination Join us for a magical adventure into the world of imagination and fiction. With CA's Imagination Camps, dreams, legends and literature do come true. Spend your summer days with your favorite characters, superheroes, princesses, knights, faeries, or your favorite doll. Dream big and let your imagination go wild as you enter this fun and exciting world of fantasy and fiction.

Superhero Training

July 6-July 10

9:00 a.m.-3:30 p.m. Entering grades 3-8

What does it take to be a superhero? A week at Superhero Training Camp will show you exactly what it takes. Through active games, martial arts workshops and Marvel themed workouts, we learn that a superhero needs to be super strong. Through the cooking and creating of fun, delicious and healthy snacks, we will learn that a superhero needs to be super healthy. Through doing a service project where we will be helping those in need, we will learn that a superhero needs to be super good. Also throughout the week we will be making capes, masks and doing other super activities to really get us into character, and then end the week of training with a trip to Mid Air Adventures. \$340

Instructor: Angel Carlson

Discover your inner superhero and what it means to be a 'Successfully Social Kid'. The Superhero Sessions provide a dynamic learning opportunity for social growth infusing art, music and laughter yoga activities. While discovering their inner strengths and abilities through social coaching, students learn skills for self-regulation and perspective taking through the Social Thinking® framework. Campers leave the session with new skills for social success along with a personal superhero costume created throughout the week.

Candy and Cupcakes

June 8-June 12

9:00 a.m.-3:30 p.m. Entering grades 3-8

It is time to satisfy that sweet tooth that all of us have with a week full of making Candy and Cupcakes! Throughout the week, we make a few different types of homemade candies such as Jolly Rancher lolly-pops, tootsie rolls and rock candy, as well as various kinds of cupcakes, which we will decorate ourselves

of course. See the professionals in action and taste some extra special treats when we take a trip to a local bakery and Hammond's Candy Factory. \$350

Instructor: Angel Carlson

Around the World in 5 days

July 13 through July 17

9:00 a.m.-3:30 p.m. Entering grades 3-8

Join us as we travel Around the World in Five Days, and explore the many different cultures from country to country. We begin the week by making personalized passports to take along with us on our journey. Every day we venture to two different countries, and experience cooking different cuisines like crepes from France and pizza from Italy; playing traditional games from places like Russia, Australia and Thailand; as well as creating various crafts such as lucky elephants from India or hieroglyphics from Egypt. Sometime throughout the week we will also take a trip to Centennial Park and Beni Hana to have a true unique Japanese eating experience. \$360 Instructor: Angel Carlson

Clay MASKerade

Program 1: June 22-June 26

Entering grades 6-8

Program 2: July 27-July 31

Entering grades 4-5

9:00 a.m.-12:00 p.m.

Come explore the masks of cultures from around the globe. In class we learn about Venetian masks from Italy, design a colorful Beijing opera mask, experience the ritual masks of the Americas, and the ceremonial animal masks of Africa. Several techniques will be used to create both small and large masks such as press molding, slab construction, and both high and low sculptural bas relief. Each child will draw out masks ideas, and implement design elements with guidance from the instructor. Textures and pattern will be added, pieces will be fired and finishing with glaze or paint, and beads, feathers, sequence, and hangers attached. \$190

Instructor: Adrienne Johnson-Conway

Teeny Tiny Clay Play

June 22-June 26

12:30 p.m.-2:00 p.m.-Entering grades K-2

Introduce your young one to the hands-on fun of creating with clay! Students learn basic clay skills and coordination, building with both kiln fired and oven/air dried clay. This class is designed specifically for our younger artists. Free time with a short story and a little play is built into each day. \$135

Instructor: Adrienne Johnson-Conway

Clay Sampler

Program 1: June 22-June 26

2:00 p.m.-3:30 p.m. Entering grades 3-5

Program 2: July 27-July 31

12:30 p.m.-2:00 p.m. Entering grades 3-4
An introduction to hand building & a bit of wheel throwing. We'll explore pinch pots, coil pots, balloon vases, and sculpt animals, and more. Each child will get a chance to throw on the wheel and keep a couple of creations. Each child will learn the fundamentals for hand built clay and its tools, building confidence and creativity. Students will take the time to personalize pieces with their own style. \$135

Instructor: Adrienne Johnson-Conway

Mythology in Clay

July 27-July 31

2:00 p.m.-3:30 p.m.-Entering grades 1-2
Explore the gruesome power when the animal kingdoms collide to create the phoenix, Pegasus, and gargoyles! Explore monsters, ghouls, imaginary creatures, and the creations of myth and legends. Students will learn how to create hand built clay creations like: stable freestanding creatures griffins, fauns, the Loch Ness Monster, or maybe a nice monster like Sully. \$135

Instructor: Adrienne Johnson-Conway

Clay Throwing

Program 1: July 6-July 10

Program 2: July 13-July 17

Program 3: July 20-July 24

9:00 a.m.-12:00 p.m. and 12:30 p.m.-3:30 p.m.-Entering grades 5-8

In this class, students learn basic wheel skills: centering, opening, pulling, shaping, trimming and finishing, and glazing. As a beginner, you make variations on the basic cylinder, such as mugs, vases, and bowls. This is a great chance to learn the basics of the potter's wheel in a relaxed, creative atmosphere. Artists also have a chance to explore the fundamentals of handbuilding with clay.

Program 2: July 6-July 10

9:00 a.m.-12:00 p.m. and 12:30 p.m.-3:30 p.m. Entering grades 5-8
Each artist will create their own fantasy mural using photos, magazines, books, drawings and paintings to "render" their design. Using techniques of scenic painting, faux finishing and trompe l'oeil, they will learn how to paint their own mural on muslin which can then be applied to a wall in their room with wall

paper paste or by hanging.

Program 1: \$160. Program 2: \$195

Instructor: Lori Worthman

Wacky Watercolor Scientists

July 20-July 24

9:00 a.m.-10:30 a.m. Entering grades 3-4
10:30 a.m.-12:00 p.m. Entering grades 1-2
12:30 p.m.-3:30 p.m. Entering grades 5-8
Experiment with the different forms of watercolor to create beautiful works of art and science. Use different techniques such as resist, salt, marbling, melted crayons and much, much more. Play with different media to create a variety of effects and scientific experiments of art.

Entering grades 1-4: \$120

Entering grades 5-8: \$190

Instructor: Kit Hernandez

Arty Party

June 15-June 19

9:00 a.m.-10:30 a.m. Entering grades 1-2
10:30 a.m.-12:00 p.m. Entering grades 3-4
Join us for a fun week of sampling the arts: drawing, painting, sculpture, mixed media and printmaking. Students create masterpieces using watercolors, acrylics, inks, paper mache, air-dry clay and various mix media material. \$120

Instructor: Kit Hernandez

Mixed UP Art

June 15-June 19

12:30 p.m.-3:30 p.m. Entering grades 5-8
Let's mix it up this summer! In this workshop, young artists use a variety of mixed-media techniques and collaging approaches. Techniques include drawing, painting, using image transfers, stencils, layering, and more! Using clay, found objects, recycled materials, wire and various adhesives, we plan to make magnificent mixed up 2D and 3D designs and creations!

\$190 Instructor: Kit Hernandez

Treasure Box Books

June 8-June 12

9:00 a.m.-10:30 a.m. and 10:30 a.m.-12:00 p.m. Entering grades 1-3
Using old hardbound books, we'll alter-glue them, cut them, paint them, and bejewel them to become sculptural collages of dreams/memories and hops. We'll incorporate poetry/prose, drawings, photographs, small sculptures and found objects—from buttons to action figures! Create your own treasure book/box!

\$120 Instructor: Lori Worthman

Bracelet Bonanza

June 15-June 19

Four Programs: 9:00 a.m.-10:30 a.m., 10:30 a.m.-12:00 p.m., 12:30 p.m.-2:00 p.m., 2:00 p.m.-3:30 p.m. Entering grades 1-4
These days, there are so many fun and in-

teresting ways to make jewelry. In this camp, you will use looms, loops, para-cord, bungee cord and other materials to make bright and durable bracelets to wear and share. \$120 Instructor: Anita Hertz

Chatty Critters

July 13-July 17

12:30 p.m.-2:00 p.m. Entering grades K-3
A dragon fly here. A zebra there. Create nifty critters using different materials such as polymer clay, felt foam, face paint and even food. Have a blast expressing yourself through crafting. So join us and get crafting! \$135
Instructors: Anita Garcia and Carol Mecham

Recycled Art

July 27-July 31

9:00 a.m.-10:30 a.m. Entering grades 3-4
10:30 a.m.-12:00 p.m. Entering grades 1-2
12:30 p.m.-3:30 p.m. Entering grades 5-8
Sculpt a bird out of soda cans! Design a lamp with plastic forks! Build a chandelier out of bottles! Imagine the beautiful creations you can make out of objects that would otherwise be thrown in a landfill. Participants learn the skills and techniques necessary to build with unique materials, the most important of which will be the ability to think innovatively and imaginatively.

Entering Grades 1-4: \$120

Entering Grades 5-8: \$190

Instructor: Dana Kilcoyne

Art For The Artist 2D

June 29-July 2 (four days)

9:00 a.m.-12:00 p.m. Entering grades 5-8
12:30 p.m.-2:00 p.m. Entering grades 3-4
2:00 p.m.-3:30 p.m. Entering grades 1-2
Not an arts and crafts activity, this program provides opportunities to learn serious art techniques in a concentrated period of time. The focus will be on 2D work, exploring drawing and painting using media such as pencil, charcoal pastels, acrylic paints, and watercolors. Young artists tackle such projects as wacky portraits, still-life drawing and landscapes. Students learn essential techniques such as color mixing, tonal value, and composition.

Entering Grades 1-4: \$100

Entering Grades 5-8: \$155

Instructor: Dana Kilcoyne

Mask Making

Program 1: July 20-July 24

9:00 a.m.-10:30 a.m. Entering grades 3-4
10:30 a.m.-12:00 p.m. Entering grades 1-2
Learn professional techniques in Mask Making, molding and casting, sculpting, painting and fabricating. You'll work with clay, plaster, acrylic paints, paper mache, and other mixed media. We consider safety and techniques to create the highest quality masks, as well as art techniques that can be applied to other projects. You make a life cast,

a clay sculpture, and a paper mache final.
\$120 Instructor: Sarah Monterossa

Art & Yoga

Program 1: June 15-June 19

Entering grades 4-8

Program 2: July 27-July 31

Entering grades 6-8

Yoga and art come together for body/mind creativity! Each day starts with a yoga class focusing on beginning asanas, (postures) and pranayama, (breathwork), ultimately flowing into an art project. Students create art that is devoted to who they are: their interests, feelings, and experiences. Art and yoga gives students skills to manage their stress, find balance, help them find deep relaxation, and learn more about how to express themselves.
\$190 Instructor: Jen Werner

Tie Dye, Oh My!

June 8-June 12

9:00 a.m.-12:00 p.m.-Entering grades 5-8

12:30 p.m.-2:00 p.m.-Entering grades 3-4

2:00 p.m.-3:30 p.m.-Entering grades 1-2

Come experiment with cold water dyes. Learn how to create traditional spirals as well as a variety of folding, tying and clamping patterns. Understand color mixing and saturations to create unique tie dye masterpieces. CA provides the muslin for wall hangings, t-shirts and scarves. Participants are encouraged to bring specialty items provided they are 100 percent cotton.

Entering Grades 1-4: \$125

Entering Grades 5-8: \$195

Instructor: Kit Hernandez

Campfire Capers

Program 1: June 15-June 19

2:00 p.m.-3:30 p.m.-Entering grades K-2

Program 2: July 20-July 24

2:00 p.m.-3:30 p.m. Entering grades 3-4

Singing, dancing, drumming, storytelling, and games, even some hotdogs and s'mores!

Join us in an old fashioned campfire program! From scary stories to silly songs, we'll gather around the magical flame effect, and entertain each other. \$120 Instructor: Lori Worthman

Glow in the Dark

Program 1: June 15-June 19

12:30 p.m.-2:00 p.m. Entering grades K-2

Program 2: July 20-July 24

12:30 p.m.-2:00 p.m. Entering grades 3-4

Let's illuminate the world around us. From face paint to glow Sticks we'll explore the many ways we can make things (including ourselves) glow in the dark!

\$120 Instructor: Lori Worthman

Comic Book Illustration and Design

June 22-June 26

12:30 p.m.-3:30 p.m.-Entering grades: 5-8

This camp focuses on all aspects of comic book creation including character descriptions, environment, setting, and basic plot. Students work on storyboarding, scripting and how to take written character designs and create them visually.

\$190 Instructor: Patrick Wright

Self Portrait Class

All About Me

July 20-July 24

2:00 p.m.-3:30 p.m. Entering grades 5-8

Learn to draw yourself by understanding the basic human face proportions. Sketch an awesome likeness of you using pencil and paper. After a few drawing exercises, you then focus on producing a final product on high-quality drawing paper. We also create other self-portraits that may be in the form of an abstract sketch or a collage, crafted from assorted materials such as magazine photos, printed word, lost and found objects, etc.

\$140 Instructor: George Hernandez

3D Photography

July 20-July 24

9:00 a.m.-10:30 a.m. and

10:30 a.m.-12:00 p.m. Entering grades 3-4

12:30 p.m.-2:00 p.m. Entering grades 5-8

In this workshop, students learn the science of anaglyph (red and cyan) photography and use a single digital camera to create their own 3D projects. The workshop includes explaining the importance of good 3D photo composition and camera placement and the use of free 3D photo processing software. The mechanics of anaglyph photography using a single camera are demonstrated. Each student prints or has one large (8x10) 3D photo processed. \$130 Instructor: George Hernandez

Photo Safari

Program 1: June 15-June 19

Program 2: July 13-July 17

9:00 a.m.-3:30 p.m.-Entering grades 5-8

See Colorado through your camera! Students experience local adventures each day and are introduced to camera basics and lighting techniques. From landscapes to close up, to portraits, each location offers a rich photographic experience! Students spend the last two days working in the digital lab, being introduced to Photoshop basics, and printing a portfolio of their work.

\$380 Instructors: Liz Cryan (Program 1) & Jesse Meyer (Program 2)

Circus! Circus!

Program 1: June 8-June 12

Program 2: June 15-June 19

Program 3: July 6-July 10

9:00 a.m.-3:30 p.m.- Entering Grades: 6-12

Ladies and Gentlemen, please direct your attention to the center ring....Run away with the circus this summer! Daily skill and performance workshops are taught in juggling, tumbling, tightrope, clowning, stilts, unicycle, and rolling globe. Special classes are offered in the aerial arts: Spanish Web, Aerial Hoop, Single Trapeze, Aerial Balance Cube, and Aerial Fabric. This is an excellent artistic and athletic activity that builds immense self-esteem and amazing performance skills. Participants may enroll for one or more weeks. \$310 Instructor: Angel Vigil

Circus Circus Show Week

June 22-June 26

9:00 a.m.-3:30 p.m. -Entering Grades 6-12

This is your chance to run away with the circus and put on a circus show. This week is all about putting on a big circus show for the summer camp. To be part of this week's special show you need to have been in circus camp at least one week previously, either this summer or another summer, or been in a circus program either at Colorado Academy or another youth circus program.

\$310 Instructor: Angel Vigil

Circus Clown & Mime Camp

July 13 - July 17

Two Programs: 9:00 a.m.-12:00 p.m.

and 12:30 p.m.-3:30 p.m.

Entering grades 5-9

Run away with the circus and be a clown! Learn all about one of the most important parts of the circus—the art of mime and clowning. Every student creates a clown/ mime face. Every student wears the red nose. Every student learns the traditional clown routines and develops original new routines. Every student learns to tie balloon animals. Every student learns the classic mime illusions. Every student learns to juggle. Every student will have a barrel of fun!

\$190 Instructor: Angel Vigil

Extreme Improv

July 6-July 10

Two Programs: 9:00 a.m.-12:00 p.m. and

12:30 p.m.-3:30 p.m.-Entering grades 4-8

Are you excited and willing to explore the far reaches of a grilled cheese sandwich? Can you hold your own in a wrestling match with an atomic hedgehog? Can you crack the riddle of how a dancing mushroom will save the world from radioactive amoebas? If your answer is yes, explore Extreme Improv, an acting class seeking students who wish to stretch their imagination, hone their comedic timing, create outrageous characters and laugh 'til their pancreases vibrate!

\$190 Instructor: Royden Mills

Making Music Videos

Two Programs: June 22-June 26 and July 20-July 24

9:00 a.m.-3:30 p.m.-Entering grades 4-8

Calling all Superstars! In this week long camp you learn how to create, film and edit your own music video! We film on location using the story boards your group has made as a guideline for the shots.

\$315 Instructor: Anita Boland

The Voice

Program 1: July 13-July 17

Program 2: July 27-July 31

9:00 a.m.-3:30 p.m.-Entering grades 4-8

Aspiring Stars....this is for you! Learn vocal technique, microphone stage presence, and what it takes to be a star. Campers from guest camps are invited to be our Simon Cowell! Some prior singing experience is recommended.

\$310 Instructor: Anita Boland

Short Story Films

June 15-June 19

9:00 a.m.-3:30 p.m. Entering grades 5-8

Do you like movies? Do you have something to say? Maybe you just want to have fun creating your own story...Short Story Films is all about the process of writing, casting, filming and editing your well thought out short story. It can be one you have read, or one you have written yourself! This class teaches you about every stage of the filming process from storyboards to your final cut! At the end of the week we premier your films to family and friends.

\$315 Instructor: Anita Boland

Sounds and Stories

Program 1: June 15-June 19

Program 2: June 22-June 26

12:30 p.m.-2:00 p.m.-Entering grades 3-4

2:00 p.m.-3:30 p.m.-Entering grades 1-2

If you love to sing, tell stories, or act, join us as we lead you through activities and projects that will engage your imagination, allow for lots of creativity, all through the magical experience of making music. We will sing songs, make our own instruments from recycled items, read fairy tales, and even get the chance to make up some new ones! We will act out plays, put on puppet shows, all while learning songs and playing xylophones, drums, and other instruments to help our stories come to life. \$120 Instructor: Alicia Knox

African Drumming and Rhythm

July 6-July 10

9:00 a.m.-10:30 a.m.-Entering grades 1-3

12:30 p.m.-2:00 p.m.-Entering grades 4-7

Come explore the music of Africa through the traditional rhythms of the djembe drums! In this class we learn full drum songs, beginning with basic rhythms and adding more complex arrangements and parts throughout

the week. Students learn a variety of djembe hand strokes, as well as other traditional African percussion instruments. Songs, movement and rhythm games will help us round out our week of rhythmic music education. All instruments are provided, although you are welcome to bring your own drum if you like. No prior music experience is required. Family and friends are invited to join a mini-recital on Friday afternoon. This class is taught by local percussionist and 20-year music teacher Andre Mallinger. \$120

African Marimba

July 6-July 10

10:30 a.m.-12:00 p.m.-Entering grades 1-3

2:00 p.m.-3:30 p.m.-Entering grades 4-7

Kids love marimbas and marimba music, and this class gives students an opportunity to experience first-hand the exciting music of the Zimbabwean-style marimbas! Not sure what a marimba is? Think xylophones, only bigger! Playing marimba is a fun, physical as well as musical experience, and no past musical training is required! Each day's class begins and ends with musical games and songs from Zimbabwe and South Africa and will progress to learning a variety of traditional pieces on soprano, tenor and baritone marimbas. By the end of the week, students will have learned an entire marimba piece, complete with arranging and singing. Family and friends are invited to attend a mini-recital on Friday afternoon. This class is taught by local percussionist and 20-year music teacher Andre Mallinger. \$120

Pennywhistle Music

July 27-July 31

9:00 a.m.-10:30 a.m.-Entering grades K-3

Come and explore this simple little wind instrument that is played all over the world. Learn fun folk songs and how to read and write music. This is an excellent introduction to all instruments. Students in the class receive their own personal penny whistles. Parents and friends are invited to a mini recital on the last day of class.

\$140 Instructor: Isabella Ubertone

Recorder Camp

July 27-July 31

10:30 a.m.-12:00 p.m.-Entering grades 4-6

Beginner and advanced recorder players are welcome to participate in this week of musical fun and learning. Students who have learned how to play the recorder at school are encouraged to take their musical skills to a higher level. Learn fun folk songs and how to read and write music. This is an excellent introduction to all instruments. Students in the class receive their own personal recorders. Parents and friends are invited to a mini recital on the last day of class.

\$140 Instructor: Isabella Ubertone

Cool Noise

June 8-June 12

12:30 p.m.-2:00 p.m.-Entering grades 1-3

2:00 p.m.-3:30 p.m.-Entering grades 1-3

Stomp, Bang, Tap, Bounce and Shoot! This is a raucous rhythmic romp of a dance class! Using basketballs, trash can lids, all sorts of found noisy objects, tap shoes, hiking boots and our own voices, we'll create a unique performance to share. We'll mix traditional tap with hip-hop and jazz, interspersed with drumming, pounding, rock and roll, hula-hoops, basketballs, spoons, harmonicas...and we may even sneak a kazoo in there! If you don't have tap shoes, we'll strap some coins on your tennis shoes. Come join the fun!

\$120 Instructor: Lori Worthman

Sing Like The Stars

Program 1: June 15-June 19

Program 2: June 22-June 26

9:00 a.m.-3:30 p.m.-Entering Grades 7-11

Get ready to be the star of your dreams.

Using karaoke tapes we'll learn to perform popular singing styles. Participants practice the techniques of jazz, pop, blues, torch, and Broadway show tune singing. Vocal techniques, stage presence and "selling the song" skills are all a part of this innovative and challenging program.

\$310 Instructor: Cindy Jordan

Be a Rock Star

Program 1: June 8-12

Program 2: June 15-June 19

9:00 a.m.-3:30 p.m.- Entering Grades 5-12

Have you ever wanted to play in a rock band? Do you have at least a year's experience playing guitar, bass guitar, drums, keyboards, horns or saxes? Are you a vocalist? If you answered "Yes" to any of these questions, join us as we engage in group lessons, ensemble practice, recording techniques, sound checks, and use of PA systems each day. Players must provide their own instruments, amps, etc... (CA provides sound reinforcement). \$360 Instructor: Phil Jones

Young Strummers Guitar

Program 1: July 6-July 10

9:00 a.m.-12:00 p.m.

Program 2: July 27-July 31

12:30 p.m.-3:30 p.m.

Entering grades 2-4

Experience the basics of guitar and hands-on learning with daily study of guitar playing techniques as well as listening to recordings and watching filmed performances. Players are expected to provide a guitar. For information on renting a guitar or for questions about this camp, please contact the camp office.

\$190 Instructor: Phil Jones

Guitar Camp

Program 1: July 6-July 10

12:30 p.m.-3:30 p.m.

Program 2: July 27-July 31

9:00 a.m.-12:00 p.m. Entering grades 5-8 Experience the basics of guitar and hands-on learning with daily study of guitar playing techniques as well as listening to recordings and watching filmed performances. Players are expected to provide a guitar. For information on renting a guitar or for questions about this camp, please contact the camp office at coloradoacademysummer.org.

\$190 Instructor: Phil Jones

Digital Music

Program 1: June 22-June 26

Program 3: July 20-July 24

Program 4: July 27-July 31

12:30 p.m.-2:00 p.m. and 2:00 p.m.-3:30 p.m.

Program 2: July 6-July 10

9:00 a.m.-10:30 a.m., 10:30 a.m.-12:00 p.m.,

12:30 p.m.-2:00 p.m. 2:00 p.m.-3:30 p.m.

Entering grades 1-8

You too can make the music of the future!

Using specialized electronic software and hardware, participants in this program record music or sounds, edit the recordings into musical compositions or sound collages, and then burn them to CDs with personalized laser printed labels. These programs are offered each quarter of the day. Students may sign up for two back to back programs to make up a half day program if desired.

\$120 Instructor: Brian Golden

Shining Starsongs Productions!

July 20-July 24

9:00 a.m.-12:00 p.m. and

12:30 p.m.-3:30 p.m. Entering grades 3-5

Songwriting at its best! Write your own songs and make your own CD! This camp specializes in the art of songwriting, from the

creative muse to the structure, rhythm and rhyme. Vocal coaching included as you share your song(s) with the world in CA's own recording studio!

\$190 Instructor: Cullen Brink

Digital Video Production Meets Film Acting

July 13-July 17

9:00 a.m.-3:30 p.m. -Entering Grades: 5-8

This activity satisfies two interests. Students with a desire to learn the technical side of filmmaking work on all aspects of the production process, while those who love the spotlight learn all the beginning aspects of acting in front of a camera. The young artists plan and produce their film and then use video editing software to enhance their creations by adding both audio and video special effects. Stars will be born! \$350 Instructors: Royden Mills and Gary Varden

Mustang Sports Camps and Dance Camps

Whether for a competitive player or an individual achiever, Mustang Sports and Dance Camps are a very special experience for young people. We work with students of all skill levels, nurturing self-confidence and talent, and developing and sustaining a life-long love of sport. The sports camps maintain an appropriate athlete-to-instructor ratio that will enable our highly skilled staff of coaches to interact directly with each camp participant.

Beginning Horsemanship

Program 1: June 22-June 26

Program 2: July 6-July 10

12:30 p.m.-3:30 p.m. -Entering Grades 3-8 Beginning riders will head out to Stocktons Plum Creek stables for hands on horsemanship and riding. Emphasis on communication, grooming, and handling skills with daily demonstrations and hands on practice. Campers will learn about bareback riding, saddling, and the introduction of rein use. \$360

Kiddie Corral

Program 1: June 22-June 26

Program 2: June 29-July 2 (four days)

Program 3: July 6-July 10

9:00 a.m.-12:00 p.m. -Entering Grades K-2 Beginning riders will head out to Stocktons Plum Creek stables for hands on horsemanship, learning about horse behavior, grooming, handling, and introduction to riding. Campers focus on safety while building confidence. On Friday campers participate in horsey arts, crafts, and games on campus. Programs 1 & 3: \$260/ Program 2: \$230

Beginning Golf

June 22-June 26

9:00 a.m.-3:30 p.m. -Entering grades 3-10

Grab your clubs and let's hit the links! This camp provides 5 hours of professional instruction by Foothills Golf Course PGA

teachers, three days on a par-3 course and two days on a nine-hole course. **Participants must provide golf clubs, balls and tees.**

Balls are provided for the driving ranges. All participants must wear collared shirts and tailored shorts. Players may not bring their own pull carts. Pull carts may be rented at Foothills for \$3-4 per day.

\$390 Instructor: Bob Ulrich

Intermediate Golf

July 27-July 31

9:00 a.m.-3:30 p.m. -Entering grades 6-11

Grab your clubs and let's hit the links!

This camp provides 5 hours of professional instruction by Foothills Golf Course PGA teachers, playing at least 9 holes each day, with one day on a par-3 course. **Participants must provide golf clubs, balls and tees.**

Balls are provided for the driving ranges. All participants must wear collared shirts and tailored shorts. Players may not bring their own pull carts. Pull carts may be rented at Foothills for \$3-4 per day.

\$390 Instructor: Bob Ulrich

Golf for the Young Player

Program 1: June 29-July 2 (four days)

Program 2: July 27-July 31

9:00 a.m.-12:00 p.m. -Entering grades K-2 Attention all young golfers! Join us on Foothills Golf Course, and receive instruc-

tion from certified teaching pros! You'll get an opportunity to play some holes each day. Lessons cover etiquette, safety, putting, short game (chipping, pitching), full swing and strategies for getting around a golf course efficiently. Participants must provide a bag of junior golf clubs. **Participants must wear collared shirts and tailored shorts.**

Program 1: \$180/ Program 2: \$220

Instructor: Maggie Ballard

PE Games

July 20-July 24

12:30 p.m.-3:30 p.m. Entering grades 3-5

Play your favorite PE Games at camp. Join Coach Bob in the gym for floor hockey, badminton, speed soccer, dodgeball, scooter races and more! Let's play!

\$170 Instructor: Bob Ulrich

Diving Into Summer

June 8-June 12

Two Programs: 9:00 a.m.-12:00 p.m. and

12:30 p.m.-3:30 p.m. Entering grades 3-7

Jump, dive, flip, or twist your way into this exciting new summer camp! Whether this is your first time stepping on the board or you've been diving for years, all are welcome! We'll travel to a local pool and focus on the proper techniques of springboard diving. Participants must have adequate swimming ability in the deep end of a pool—this is

NOT a swimming lesson.
\$190 Instructor: Nicole Cushenan

Youth Volleyball

June 8-June 12

9:00 a.m.-12:00 p.m.-Entering Grades 1-8
Athletes will learn the fundamentals of volleyball using proper techniques including passing, serving, overhead hitting, and defensive skills.

\$170 Instructor: Guy Garcia

Tennis

Seven Weeks: June 8-July 31

(Tennis camp is not in session June 29-July 2)

Two Programs: 9:00 a.m.-10:30 a.m. and 10:30 a.m.-12:00 p.m. Entering grades 1-8
No more waiting in lines to hit the ball. Kids enjoy playing right away and keep coming back for more. Brian Singer, the CA men's tennis head coach, and his staff teach multiple skills, incorporating game play into skill development. We strive for a 1:6 or better ratio. Using the Quick Start format, these camps are broken down by age and ability on different courts.

Week 1: Gettin' Control: This week emphasizes ball and racquet control. Games include: Touch the Fence, Flamingo, Lobster Trap, Champion of the Court and Tag Team.

Week 2: It's a Hit: Along with the fun, covering the basics, this week adds extra emphasis on hitting the ball back and forth. Games include: Tennis Hockey, Bear the Pro, King of the Court and Tag Team.

Week 3: Rally Back: This class will be broken down by age and ability. We will focus on backhand returns and volleys, as well as covering forehands, overheads, and serves. Games include Funny Bones, Champs and Chumps, Lobster Rally, Touch the Fence.

Week 5: Monster Smash: Participants will be grouped based upon ability level. Join us for some fun. Along with the basics, this week will highlight volleys and overheads. Games include: One Ball Live, Rally Me, Bulls-Eye and Monster Mash.

Week 6: Slamma Jamma: Players will be separated based on ability level. Come and join us for a week full of fun! This week will focus on movement. Games include: Get-It, Hot Potato, Popcorn Target-Relay and Touch the Fence.

Week 7: Volley Time! Participants will be grouped by age and ability. This week emphasizes getting to the net and a flowing volley versus a punch volley. Games include: High Fiver, Restaurant, Ping-Pong, Texas Tennis, Rush and Crush, and Dive Bomber.

Week 8: It's a Wrap: Courts will be divided based upon ability level. Join in the fun this week, as we will place an emphasis on a particular skill each day. Only offered from 9:00 a.m.-10:30 a.m.

\$165 Instructor: Brian Singer and Team

Move It, Move It

July 27-July 31

10:30 a.m.-12:00 p.m. Entering grades 1-8
Are you ready to move? Join us for a fun-filled week of movement. Under the guidance of Brian Singer, an experienced fitness Instructor, you will be amazed at the level of proficiency that you can achieve in just one week. \$100 Instructor: Brian Singer

*Advanced Swim Lessons

3:45 p.m.-5:00 p.m. Entering grades 1-3

June 8-12, June 15-June 19,

June 22-June 26

3:45 p.m.-5:00 p.m. Entering grades 3-6

June 29-July 2, July 6-July 10,

July 13-July 17

3:45 p.m.-5:00 p.m.

Give your child a jump start in the pool this summer. These classes are designed for swimmers who already have a strong foundation of the fundamentals and are looking to improve their strokes and learn proper techniques in the pool. For increased proficiency, register for multiple weeks. Distance instruction will not be covered.

\$130. Instructor: Becky Mutz

Requirements:

- Camper must be able to swim 25 yards without stopping.
- Camper must know how to breathe when swimming the freestyle stroke.
- Camper must be able to float front & back.

Youth Skills and Games

Soccer Camp

June 22-June 26

9:00 a.m.-12:00 p.m. -Entering Grades K-5
Learn and improve your soccer skills through drills and small sided games. Players are exposed to new skills and drills to improve dribbling, shooting, passing and controlling the ball. \$170 Instructor: Sean Stedeford

Lil Mustang Soccer Camp

Program 1: July 13-July 17

Program 2: July 20-July 24

9:00 a.m.-12:00 p.m.-Entering grades K-5
This camp provides boys and girls entering grades K-5 the chance to learn soccer skills in an instructional environment that is challenging and fun! Skills and concepts taught include passing, controlling, shooting, defending, attacking and goalkeeping.
\$170 Instructor: Sean Stedeford

Sticks & Kicks:

"A Lacrosse & Soccer Camp for the Multi-Sport Athlete"

Two Programs: July 20-July 24 and

July 27-July 31

9:00 a.m.-3:30 p.m. Entering grades 4-8

This camp is specifically designed to meet the needs of today's multi-sport athlete. This camp emphasizes techniques and specific skill instruction in both sports, split into a morning and afternoon structure. Coach McKenna, who is the assistant coach with CA's Varsity Lacrosse Program, directs morning activities focusing on both early stick skill development and higher level field skills. Campers break for lunch, and spend the afternoon under the direction of Coach Gabe Bernstein, the Head Coach of CA's Varsity Soccer Program. Emphasis in the afternoon is on technical skill development in soccer, small sided activities to goal, and other fun games. Campers can choose to attend a full day of camp to engage in the multi-sport experience or only attend the morning or afternoon session to focus on one particular sport. All ability levels are encouraged to participate.
\$300 for full day/\$170 for half day programs
Instructor: Buck McKenna and Gabe Bernstein

Baseball Clinic

June 22-June 26

12:30 p.m.-2:00 p.m. Entering grades 3-9

Learn the mechanics that major league baseball players use in several aspects of the game (hitting, throwing, fielding, and base running) and have a blast doing it!

This program will not only help you improve during each session but also give you the tools and drills to take with you to improve beyond the week-long camp.

\$120 Instructor: J.T. Putt

Dribbling and Shooting Camp

June 15-June 19

9:00 a.m.-12:00 p.m.-Entering grades 3-10

Come to this camp and be prepared to improve your skills to play at the next level. Learn to become an effective dribbler and proper shooting form. Dribbling skills include crossover, between the legs, behind the back and improved confidence with both the dominant and non-dominant hand. Shooting form and increased shooting range will improve.

\$170 Instructor: Guy Garcia

Dodgeball

June 8-June 12

12:30 p.m.-3:30 p.m.-Entering grades 4-6

Join us for a plethora of Dodgeball games that are fast paced, exciting and challenging. The games are played with Gator Skin balls that provide a safe and more forgiving way to play this classic and popular game.

\$170 Instructor: Bob Ulrich

Girls Field Hockey and Lacrosse

June 15-June 19

9:00 a.m.-12:00 p.m. Entering Grades 2-5
Girls learn the rules of play, develop skills, and make new friends while practicing the techniques and strategies that will prepare them for future competitive play in these two sports. Players are expected to provide their own lacrosse stick/field hockey stick, goggles, shin guards, socks to go over the shin guards, and a mouth guard.

\$170 Instructor: Steph Sanders

Racquetball: Fast & Furious

June 8-June 12

9:00 a.m.-12:00 p.m.-Entering grades 3-5
12:30 p.m.-3:30 p.m.-Entering grades 6-9
Racquetball is easy to learn, is a year-round and lifetime sport, and fun! Join a club pro to learn fundamental skills, rules and games. Players are grouped by ability and play in a variety of tournament formats. All participants will get gifts and prizes on tournament day. A CA van takes everyone to a local athletic club site for all the fun each day.

\$200 Instructor: Marcia Richards

Ice Skating at CA

Program 1: June 30-July 2 (4 days)

Program 2: July 6-July 10

Program 4: July 20-July 24

12:30 p.m.-2:00 p.m.-Entering grades K-4
2:00 p.m.-3:30 p.m.-Entering grades K-4
Program 3: July 13-July 17
12:30 p.m.-2:00 p.m.-Entering grades 3-7
2:00 p.m.-2:00 p.m.-Entering grades K-4
Learn to ice skate this summer! There is no reason to leave campus for this one. We will bring synthetic ice to CA and set it up in an indoor location. Join us for 60 minutes of instruction plus 30 minutes of practice every day. Basic through intermediate 90 skills are offered, from first steps through basic jumps & spins that are appropriate for hockey and figure skating. Let's skate!

Program 1: \$175/Programs 2-4: \$215

Mediterranean Dance

July 20-July 24

12:30 p.m.-2:00 p.m. Entering grades 2-4
2:00 p.m.-3:30 p.m. Entering grades 5-8
In this camp, we learn the basics of two forms of Mediterranean Dances: Flamenco dance, and belly dance. Regardless of your level of experience, if you like dance, you will LOVE these dances! Have fun stomping and shimmying while learning rhythm, grace, muscle isolations, posture, and expression. We work with both choreographies and improvisation, and we get to try out some props like castanets, fans, finger cymbals, and veils. Long before Hip Hop, gypsies were "popping and locking" across the Middle East and into Spain; so come and get your groove on, gypsy style! Sara Monterroso has studied,

performed, and taught belly dance and Flamenco for over 15 years.

\$120 Instructor: Sara Monterroso

Broadway Dance

June 8-June 12

12:30 p.m.-2:00 p.m. Entering grades 1-3
Learn how to sing and dance to some of your favorite Broadway Shows! Create your own costumes, sets and characters and put on a show! \$125

Instructor: Dance Exploration, LLC

Hip Hop Dance

June 8-June 12

2:00 p.m.-3:30 p.m. Entering grades 4-7
Learn how to dance like the dancers on So You Think You Can Dance and America's Best Dance Crew! Street styles like Break Dancing, Stomping, Pop and Lock and Tutting will be taught in this session! \$120

Instructor: Dance Exploration, LLC

Cheerleading

June 22-June 26

12:30 p.m.-2:00 p.m. Entering grades 1-4
Learn how to dance like your favorite Cheer Teams! Learn to work and dance as a team! Sing and chant to your favorite cheers and write your own! Learn team stunting and lifts. \$120

Instructor: Dance Exploration, LLC

Fairy Tale Dance

June 22-June 26

2:00 p.m.-3:30 p.m. Entering grades K-2
Explore a different Fairy Tale Each Day! Favorite princesses include Cinderella, Rapunzel, The Little Mermaid, Sleeping Beauty, and the Ice Princesses (inspired by Disney's Frozen). Bring your princess dresses and tiaras and learn how to be a princess too! The last Day ends with a special princess tea Party and a visit from a real princess!

\$135 Instructor: Dance Exploration, LLC

Yoga: Silly to Calm

Program 1: June 22-June 26

Program 2: June 29-July 2 (four days)

9:00 a.m.-10:30 a.m.-Entering grades 1-3

10:30 a.m.-12:00 p.m. Entering grades K-2

Program 3: July 20-July 24

9:00 a.m.-10:30 a.m.-Entering grades K-2
10:30 a.m.-12:00 p.m.-Entering grades 3-4
Get your sillies out and feel great after walking like a chimp, jumping like a frog, and posing in downward diggity dog! Kids spend the week playing yoga games, trying out traditional and not so traditional yoga poses all the while learning how to move their bodies to keep them healthy and strong. They end the week feeling strong, relaxed and empowered by all of the great things they will be able to do.

Programs 1 & 3: \$115/Program 2: \$95

Instructor: Suzanne Jekel (Programs 1 & 2) & Jen Werner (Program 3)

Adventure Sports and Off-Campus Adventures

Great Adventures in Denver

Program 1: June 15-June 19

Entering grades 3-5

Program 2: July 13-July 17

Entering grades 5-7

Do you think you know Denver? Well, you have probably never been behind the scenes of some of Denver's most famous hot spots. Join us for a week-long adventure behind the scenes of key Denver sites like Elitch Gardens, the Governor's Mansion, the Mint, the Wild Animal Sanctuary, Sports Authority Field, Red Rocks, and the Denver Center For Performing Arts. Places are subject to change but you are guaranteed a phenomenal adventure.

\$335 Instructor: Tricia Wales

Mini Golf

June 8-June 12

Two Programs: 9:00 a.m.-12:00 p.m. and 12:30 p.m.-3:30 p.m. Entering grades 1-4
Whether you imagine yourself as a pro-golfer one day, or just enjoy playing a game of miniature golf once in a while, this camp is for you. This week we will putt our way through five of the Denver areas most exciting and entertaining putt-putt courses including glow-in-the-dark and beautiful outdoor venues. The obstacles and challenges that you'll face this week will have you jumping for joy.

Don't hesitate, sign up now!

\$205 Instructor: Angie Hertz

Bowling at Lucky Strike Lanes

Program 1: July 6-July 10

Program 2: July 13-July 17

12:30 p.m.-3:30 p.m. -Entering Grades 1-5
Spare, Strike, Turkey or Gutter Ball? Whether you are a seasoned bowler or a novice, spend an afternoon with us at Lucky Strike Lanes, playing a game that can be traced back to the Stone Age. An opportunity to improve your game or learn proper technique right from the beginning. Tuition includes transportation to and from the lanes, unlimited bowling and shoe rental. Participants are required to bring socks.

\$170 Instructor: Kass Patterson

Things that GO!

June 29-July 2 (four days)

9:00 a.m.-12:00 p.m.-Entering grades 1-3
Trains, planes, boats, and more. Join us for a fun tour of Things that GO! Ride the Georgetown Loop Railroad on Monday. Explore the Wings over the Rockies museum

on Tuesday, Tour the Golden Railroad Museum on Wednesday. Take a cruise on pedal boats or canoes on the lake on Thursday. Complete the week with a fun on-campus activity. Let's GO!
\$180 Instructor: Lindsey Boykin

Denver Fun Hoppers:

Exploring the best amusement parks, water parks & museums of Denver.

June 15-June 19

9:00 a.m.-3:30 p.m.-Entering Grades 3-5
Spend the week hopping around and exploring some of Denver's best fun spots. This camp sends you on a wild tour of Heritage Square, Pirates Cove, The Denver Museum of Nature & Science, Elitch Gardens and Waterworld. Join CAs Kate O'Donnell for a week of nonstop fun hopping!
\$460 Instructor: Kate O'Donnell

CA Adventure Seekers!

Program 1: June 15-June 19

Program 2: June 22-June 26

9:00 a.m.-3:30 p.m.-Entering grades: 4-8
Spend the week searching for adventure in some of the more rustic parts of Colorado. Participate in a variety of outdoor activities such as rock climbing, a high ropes course, caving/spelunking, white water rafting, trail map and compass reading, and survival techniques. Participants are challenged individually but also learn how to trust and depend on other members of their group. Under the guidance and experience of trained leaders, the Adventure Seekers will have stories to tell about their exhilarating journeys into the wild. \$490 Instructor: Corey Sampson

Discovery and Adventure with the Colorado Mountain Club's Youth Education Program

June 29-July 2 (four days)

9:00 a.m.-3:30 p.m.-Entering Grades 4-6
Join us for this introductory course as we explore Colorado through hiking and rock climbing. Daily hiking and rock climbing field trips are coupled with basic survival skills and navigation training needed for travel in the mountains. Participants learn how to plan and prepare for traveling in the outdoors, participate in Leave No Trace activities, build shelters, tour the American Mountaineering Museum and more! \$370

Program 2: July 20-July 24

Program 3: July 27-July 31

9:00 a.m.-3:30 p.m.-Entering grades K-3
A Community Sailing of Colorado sailing camp designed for 5-8 year olds that provides an introduction to water and boating safety at the Cherry Creek Reservoir. FUN, safety and close supervision will be the hallmarks of our Little Puffs Camps. This weeklong camp will focus on sailing and other water activities. Participants should bring a bathing suit, towel, change of clothes, hat, sunscreen, sunglasses and water shoes. We will provide all equipment and lunch each day.

THIS CAMP WILL FILL UP FAST!

\$660 Leader: Gary Varden

Beginner Fencing

June 8-June 12

9:00 a.m.-3:30 p.m.-Entering grades 3-8
Do you dream of being Jack Sparrow? Live your dreams and learn the exciting sport of fencing. Students will head to the Denver Fencing Center to learn to fence and develop an understanding of how fencing's strategy, rules, and conduct relate to the history of swordsmanship. Students will learn how to fence both with the foil and the epee. The Head Coach will be the former captain of an Ivy League fencing team. All equipment and protective gear is provided. \$505

Medieval Fencing

July 27-July 31

9:00 a.m.-3:30 p.m.-Entering grades 3-8
Lord and Ladies, come to Medieval Camp. Storm and defend your castle built upon great Ruby Hill. Learn to swordfight and act like knights and princesses by speaking their language! Learn to lead a band of troops into battle like the great Joan of Arc. Come one, come all! All activities are held at Denver Fencing Center and nearby Ruby Hill Park. Medieval Camp is run by a professional high school teacher and professional high drama director. \$505

Introduction to Rock Climbing with the Colorado Mountain Club

Program 1: June 8-June 12

Program 2: July 6-July 10

9:00 a.m.-3:30 p.m.-Entering Grades 5-8
Indoor and outdoor climbing instruction geared towards youth with little or no climbing experience, but can accommodate climbers of all levels! Our focus is on team-building, decision-making, and the basics of rock climbing. Participants will learn about outdoor safety, equipment, knot tying, belaying, and rappelling in a small, supportive environment. Five days of outdoor climbing at a variety of Front Range crags. All programs will be managed by American Mountain Guide Association certified climbing instructors. \$490

Stand Up Paddleboard Surfing

Program 1: June 29-July 2 (four days)

Program 2: July 13-July 17

Program 3: July 27-July 31

9:00 a.m.-3:30 p.m.-Entering grades 3-8
Learn to Stand Up Paddleboard Surf and Land Surf, the latest board sport craze. Lots of free time is built into the schedule for activities such as racing, lake touring, SUP yoga, and freestyle moves. Individual coaching, with video analysis, is included. All SUP equipment is provided. Swimming ability is required.

Program 1: \$335/Program 2: \$415

Instructor: Beth Folsom

Mountain Biking

July 6-July 10

9:00 a.m.-3:30 p.m. Entering grades 6-8
Bike where no car has been, explore pristine paths, push the limits. This coed experience is for adventurous individuals with some, but not extensive, off-road experience. A number of the rides are strenuous so riders need to be in good physical condition. A truck carries the bikes to the trailheads, and a CA bus brings the riders. Participants need to provide their own bikes, riding gear and helmets.
\$350 Instructor: Jason Koza

Geocaching with Colorado Mountain Club's Youth Education Center

July 13-July 17

9:00 a.m.-3:30 p.m. Entering grades 4-6

Discover treasure and learn about the earth through a Geocaching adventure camp! This 5 day camp includes outdoor exploration and navigation using GPS technology—leading students through scavenger hunts all over the Front Range. Students will be introduced to basic navigation skills and how the earth's surface is translated onto maps and GPS devices. Using these tools with basic navigation skills, students will embark on a new adventure every day—discovering hidden 'caches', learning about geologic features, and even creating their own 'cache'! \$460

Scuba Diving

One Week: July 20-July 24

9:00 a.m.-3:30 p.m.-Entering grades 5-8

If you've always wanted to learn how to scuba dive, this is where it starts. Learn how pressure affects your body and how to choose the right gear. Spend the week developing basic scuba skills in A1 Scuba's indoor swimming pool. You'll learn how to set up your diving gear, clear your mask of water, hover and several other important skills. At the end of the week, you complete your first two Open Water training dives at the Downtown Aquarium to earn your Scuba Diver Certification Card, which allows you to dive to 40 feet with a dive professional. Campers are required to view a set of training videos prior to the first day of camp.
